DELAWARE COUNTY OFFICE OF BEHAVIORAL HEALTH

Mission Statement

The mission of the Office of Behavioral Health is to assure the provision of a comprehensive array of quality mental health and alcohol and other drug services for eligible children and adults that will assist them to maximize their human potential.

Contracted Child & Adolescent Behavioral Healthcare Services

The Directory of Child and Adolescent Mental Health and Drug & Alcohol Services contains a list of contracted providers plus additional frequently used providers of child and adolescent services. The Directory lists the services provided with telephone contact information for each program or service.

The Directory is updated annually to reflect new behavioral healthcare programs and services provided to children and adolescents of Delaware County.

Supplemental Behavioral Healthcare Information
