

Bringing Green Energy Home

FREE Energy Conservation and Renewable Energy Workshop for Delaware County Residents, Business Owners, and Government Officials

The Delaware County Conservation District in partnership with the Pennsylvania Resources Council presents "Bringing Green Energy Home;" a series of free, educational workshops aimed at helping residents establish environmentally friendly practices in the home. The workshops focus on energy efficiency, energy conservation, and green energy technologies.

Workshop attendees will receive a free CFL light bulb (up to 80 per workshops) and be entered into a drawing to win a basic home energy audit worth \$250!
