Unofficial Results for April 26 Election
To Be Posted on Delaware County Website

The unofficial countywide vote tally for the 2016 Primary Election and the special elections will be posted on the Delaware County Government website and updated throughout Election Night, April 26.

The unofficial results will be listed by municipality and Countywide for all candidates on the ballot and will be updated throughout the evening on each municipal posting.

The posted results will be machine totals only. They will not include absentee ballots, provisional ballots or write-in votes. Results generally begin posting after 9 p.m.

The Delaware County website can be reached at www.co.delaware.pa.us and select the "Election 2016" link for the vote tally.

People can also find election results at the website for the Pennsylvania Department of State at www.dos.state.gov.
